

CLOPAY COMMERCIAL – MODELS 905, 905U, 906, 906U architectural series

Clopay®

ALUMINUM FULL-VIEW DOORS

Clopay Models 905 and 906 are now available with a sleek panel design offering fewer lines and angles. The proportional rail and stile profiles, along with equal spacing, provide an aesthetically pleasing appearance. This sleek door is ideal in applications such as restaurants, auto dealerships and fire stations. In addition to these features, Models 905U and 906U feature Intellicore® polyurethane insulated rails and stiles while still maintaining the sleek look.
