Model AZ6U, Black (Anodized) Frame with Obscure Insulated Glass

# AVANTE®

## SLEEK

A departure from the grid-like pattern of standard aluminum and glass garage doors, the new Avante Sleek model features slim horizontal glass windows and minimal vertical stiles for broad unobstructed views. If you're in search of a garage door with a minimalist frame design that gives off "panoramic vibes" and lets in plenty of daylight, this is it. Customize the door in a number of painted or anodized finishes and glazing options.
