

## 251 GRADY-WHITE COASTAL EXPLORER FOR 2026

The 251 isn't just a "Bay Boat", she's a Coastal Explorer! Affording her owners' inshore piece of heaven with offshore piece of mind! The 251 is the premiere off-the-beaten-track coastal family fun and fishing boat, incredibly versatile and comfortable in skinnier water, delivering confident, capable offshore performance far beyond others. Some of her family friendly features – patented folding aft and bow seating, bow boarding ladder, and spacious console with head. A few of her numerous fishing features – dual livewells, large insulated fish boxes, and plenty of vertical rod storage and rod holders. All 2026 models include composite stringers and transoms and also carry a five-year TRANSFERABLE hull warranty.
