LEARNING THROUGH EXPLORATION

Discovery Education Station, a Wisconsin-based, veteran and woman-owned nonprofit (501(c)(3)), fosters an inclusive haven where kids of all ages explore STEA2M disciplines to ignite curiosity and inspire learning. We offer enriching classes, dynamic camps and engaging hands-on workshops and clubs. We create a safe space for families with special needs children, nurturing well-being, life skills, and strong family bonds. Together, we empower minds and build connections for a brighter future.

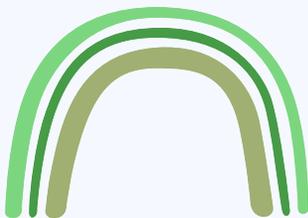

NOW SERVING SPECIAL NEEDS FAMILIES!

YOUTH - Children's Long Term Support Programs (CLTS)

ADULTS - Include, Respect, I Self Direct (IRIS)

in Wood, Portage, Marathon and Clark counties.

IMPORTANT DATES

Spotlight

MILENA

This month, we're proud to highlight Milena, one of our incredible providers at Discovery Education Station!

Milena is responsible, instructive, and deeply dedicated to the children and families we serve. She brings a love of learning into every session, teaching Russian language classes, cultural studies focused on Japan, Bulgaria, and Russia, and enriching music instruction through CLTS.

From piano to other instruments, Milena shares the joy of music while fostering confidence and creativity in our kiddos. She is loving, grateful, and truly passionate about helping each child grow and thrive.

We are so thankful to have Milena as part of the Discovery Education Station family!

Discovery Youth Impact

Serving Special Needs Families

What Services do we Offer via CLTs?

Respite Care

Transportation

Daily Living Skills

Mentorship

LEARN MORE

Saturday at the Station

March 2026

March 7 National Cereal Day.

10:30 AM – 11:30 AM

Toddler Class: Cereal Sensory Play

| Ages 1–4 |

Stack it, sort it, scoop it, and pour it! Little learners will explore cereal through hands-on sensory bins and simple play activities designed for tiny hands. This activity encourages the development of fine motor skills, early math concepts, and promotes playful discovery. Free!

12:00 PM – 1:00 PM

Kids Class: Cereal Creations & Challenges

| Ages 5–11 |

Kids will build, sort, and design with cereal through creative challenges and fun, themed activities. This class encourages problem-solving, imagination, and hands-on fun. Free!

March 14 – Butterfly Discovery Day.

10:30 AM – 11:30 AM

Toddler Class: Butterfly Play & Art

| Ages 1–4 |

Celebrate butterflies with colorful sensory play, simple art projects, and movement activities perfect for little ones. This class encourages creativity, coordination, and springtime fun. Free!

12:00 PM – 1:00 PM

Kids Class: Butterfly Art & Exploration

| Ages 5–11 |

Kids will explore butterflies through creative art, movement games, and engaging learning activities. This free class blends science, creativity, and hands-on discovery. Free!

Saturday at the Station

March 2026

March 21 Common Courtesy Day.

10:30 AM – 11:30 AM

Toddler Class: Please & Thank You Play

| Ages 1–4 |

Through songs, role-play, and simple crafts, toddlers will practice kind words and gentle interactions. This class introduces early social skills in a fun and supportive environment. Free!

12:00 PM – 1:00 PM

Kids Class: Manners & Kindness Workshop

| Ages 5–11 |

Kids will participate in interactive games and hands-on activities that help build positive social skills and confidence. This class focuses on respect, empathy, and everyday kindness. Free!

March 28 Animal Kindness Day.

10:30 AM – 11:30 AM

Toddler Class: Gentle Hands Animal Play

| Ages 1–4 |

Little animal lovers will explore pretend pet care, simple crafts, and movement activities that teach gentle hands and kindness. This class encourages empathy and playful learning. Free!

12:00 PM – 1:00 PM

Kids Class: Caring for Animals

| Ages 5–11 |

Kids will learn about responsible animal care through art, role-play, and interactive challenges. This class promotes compassion, responsibility, and hands-on fun. Free!

March Homeschool

TUESDAY (KIDS) AND THURSDAY (ADULTS)

11 AM TO 12 PM

\$5 PER STUDENT/ EMAIL: INFO@DISCOVERYEDUSTATION.ORG - 715-898-1196

March 3 & 5: Anna

Watercolor Resist Butterflies- Join us for a vibrant spring workshop where butterflies come to life using a fun watercolor resist technique! Create intricate butterfly designs using a hidden white crayon method, then layer bold, flowing watercolor washes over the top – revealing beautiful patterns right before your eyes.

March 10 & 12: Milena

Tiffany-Inspired Dream Catchers- Let's look at the world through a colorful "glass"! Create beautiful decoupage ornaments inspired by the style of Louis Comfort Tiffany and design your own fancy dream-catcher to take home.

March 17 & 19: Anna

Lucky Me Collage- Get ready to create your own good luck charm – all about you! Design a four-leaf clover collage that represents your strengths, supports, and special moments. Together we'll explore how luck is about resilience, effort, and the people who help us grow.

March 24 & 26: Milena

Journey Into the Past- Join us for a journey back in time as we discover the history of our building and explore what life was like long ago. Through stories and creative exploration, we'll uncover how people lived, worked, and imagined their world.

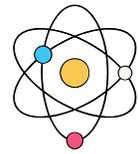

March 31 & April 2: Anna

Decoupage Terra Cotta Pots- Ready to get a little messy and a lot creative? Transform simple terra cotta pots into vibrant spring planters! Paint, layer, and design your own custom flower pot with florals, patterns, and beautiful seasonal touches – no two creations will be alike.

DISCOVER MORE AN INCLUSIVE FUTURE

Discovery Education Station is seeking to expand into a larger, purpose-designed facility that allows us to meet the growing needs of individuals with disabilities and their families while creating an inclusive family edutainment destination for the broader community. This expansion will allow us to significantly increase access to special needs therapy services, respite care, life skills programming, and sensory-friendly experiences, addressing long waitlists and unmet needs in our region.

The new facility will combine evidence-based therapeutic supports with engaging, STEA2M-driven interactive spaces that promote learning, connection, and joy for people of all abilities. By investing in this capital campaign, donors will help create a sustainable, welcoming hub where families feel supported, individuals with disabilities can thrive, and the community comes together around inclusion, education, and innovation.

What kid-friendly spaces do you think Marshfield needs most?
