

Matthew & Rhonda

HELLO!

Hi, we're Rhonda and Matthew - a loving, committed couple excited to grow our family through adoption once again. We're already proud parents to a wonderful child, and our home is filled with love, laughter, and strong family values. Our Catholic faith is an important part of our lives and guides us in everything we do - from how we treat others with kindness and respect, to how we raise our children with love, compassion, and a sense of purpose. We believe deeply in the importance of faith, family, and creating a safe, nurturing environment where children can grow and thrive. We understand that considering adoption is a deeply personal decision, and we approach it with the utmost respect, prayer, and gratitude. We invite you to visit our website to learn more about us, our faith, and the loving home we hope to share with another child. Thank you for taking the time to consider us.

A portrait of a man with short dark hair, smiling, wearing a grey button-down shirt over a light blue collared shirt. He is standing in front of a weathered stone wall.

Matthew

I'm Matthew, I work as an account manager for an electrical distribution company, where I enjoy building strong relationships with clients and helping meet their needs. My job keeps me on my toes, and I appreciate the challenge and variety it brings every day.

Outside of work, I'm passionate about staying active and spending time outdoors.

Snowboarding, golfing, basketball, hiking, and biking are some of my favorite ways to unwind and have fun. I love the energy and balance these activities bring to my life.

Most importantly, I truly cherish my family and friends. They're the foundation of who I am, and I'm grateful for every moment I get to spend with them.

Whether we are out on an adventure or just enjoying each other's company, those connections mean everything to me.

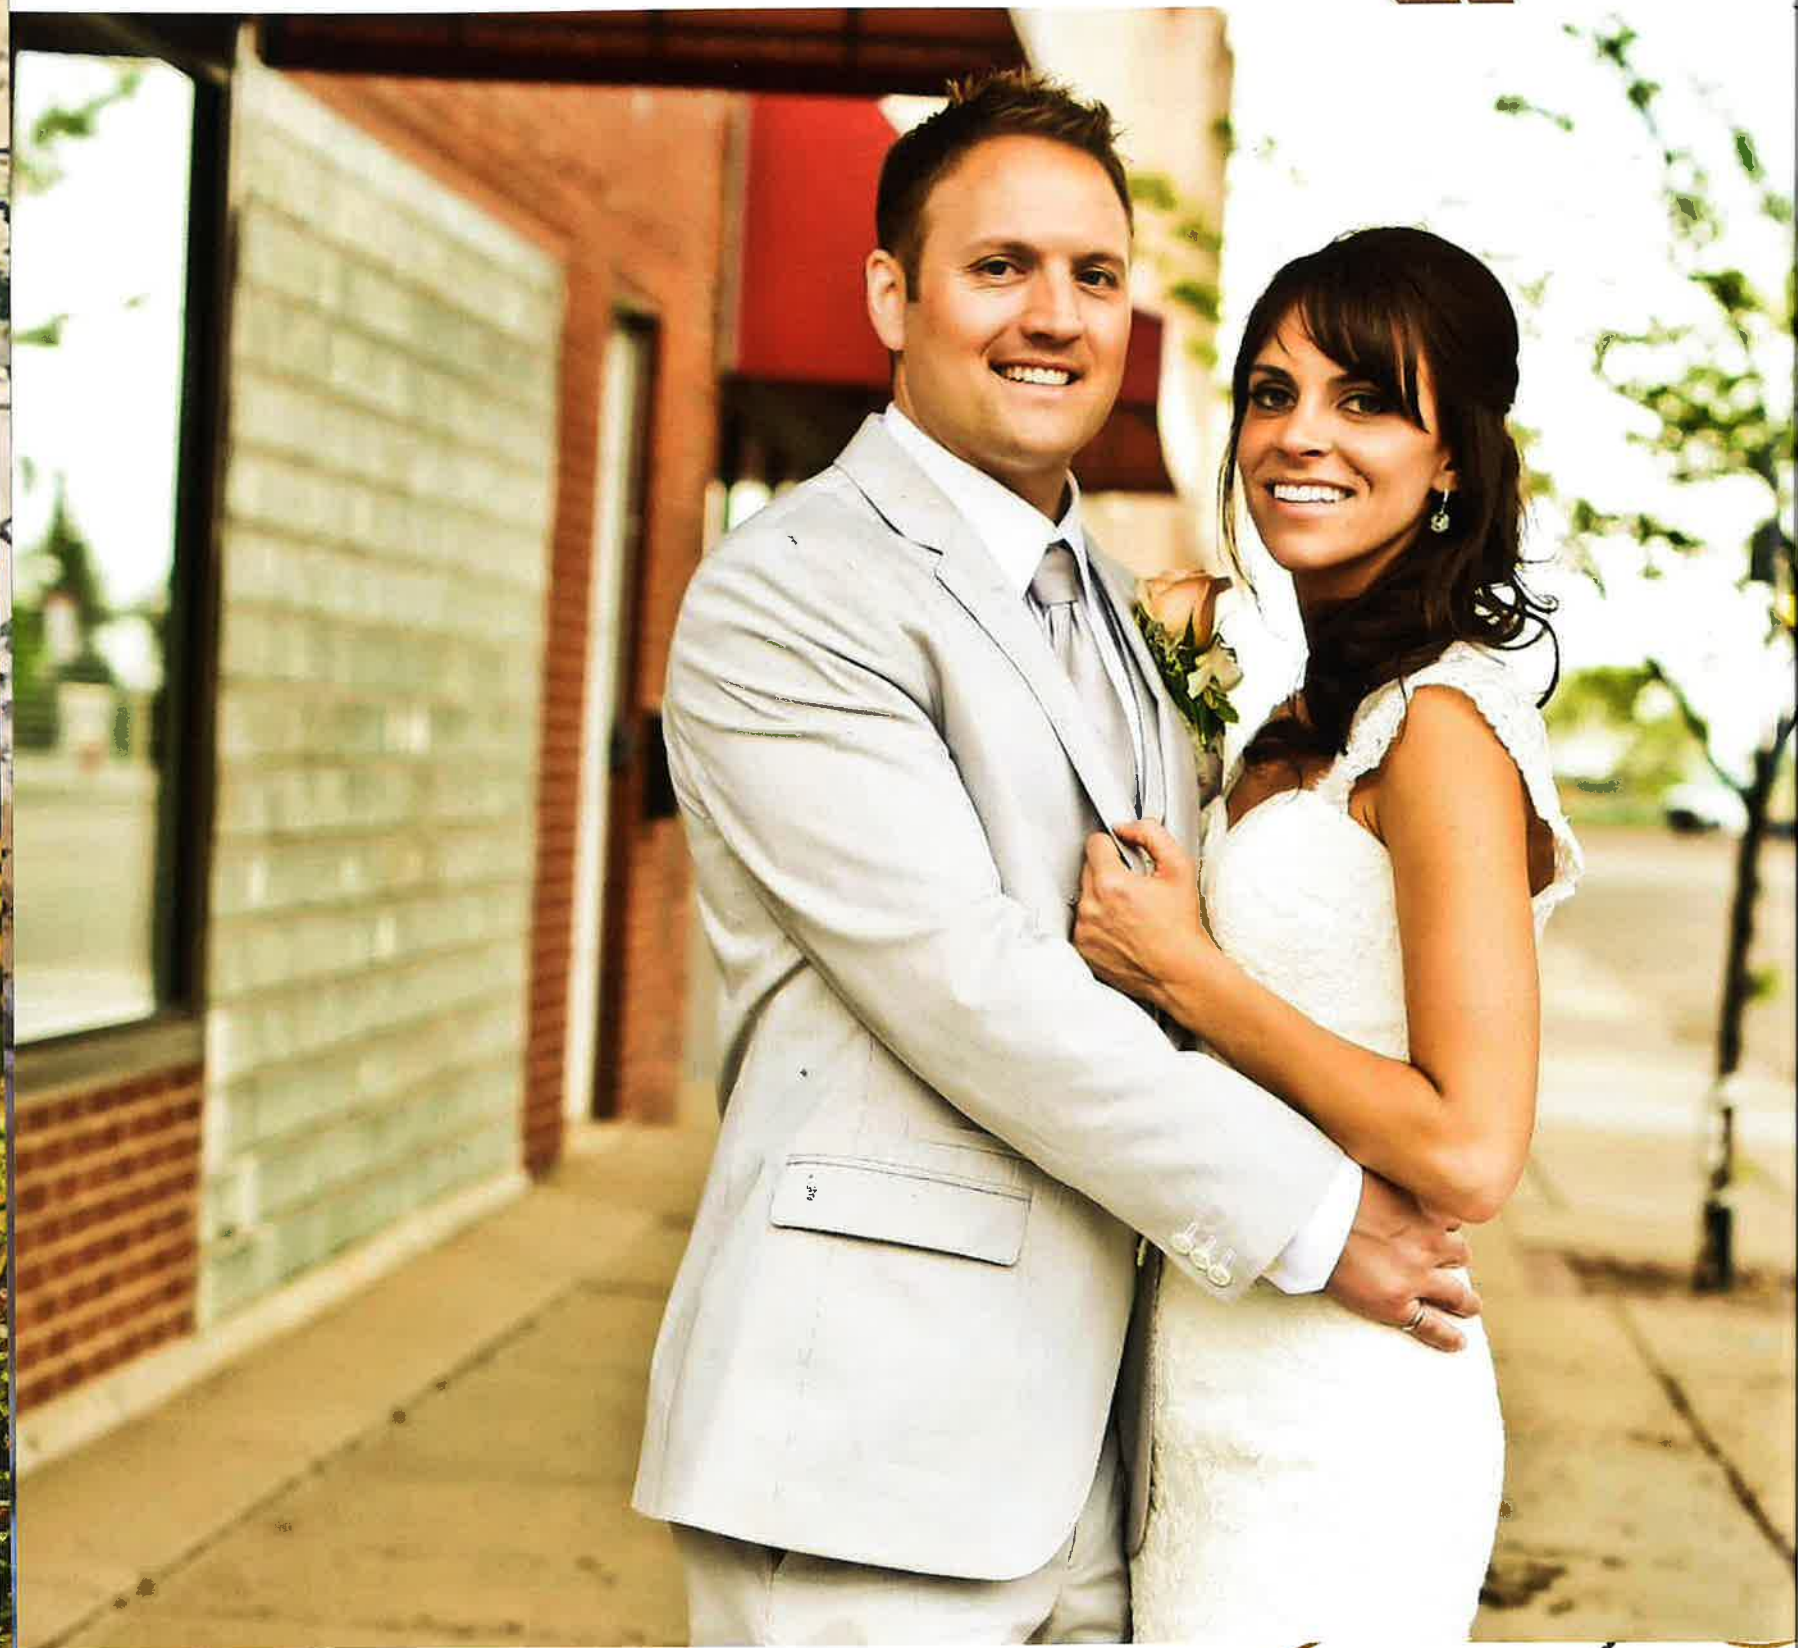

Rhonda

I'm Rhonda, a Nurse Practitioner specializing in Electrophysiology, an area of cardiology focusing on the heart's electrical system. I've been in the nursing field for over 15 years. Caring for others has always been a passion of mine, and I feel grateful to do work that truly makes a difference in people's lives.

Outside of work, I love being outdoors and staying active - hiking, snowboarding, running, and golfing are some of my favorite ways to recharge. I also greatly enjoy spending time with my extended family and close friends, who bring so much warmth, laughter, and support into my life.

But more than anything, I treasure the moments I share with my wonderful husband and our amazing daughter - being with them is the greatest joy in my life.

About us

Our Catholic faith has been a guiding light throughout our adoption journey, especially as we prepare to welcome a second child into our family. It continues to shape our values, strengthen our hope, and deepen our trust in God's plan. We see adoption as a beautiful act of love and grace - an opportunity to answer God's call to care for and nurture a child. Through prayer and reflection, our faith has given us patience and peace during the waiting process, reminding us that this path is part of a greater purpose. As we open our hearts once again, we are grateful for the blessings our faith brings and the chance to grow our family with God's love at the center.

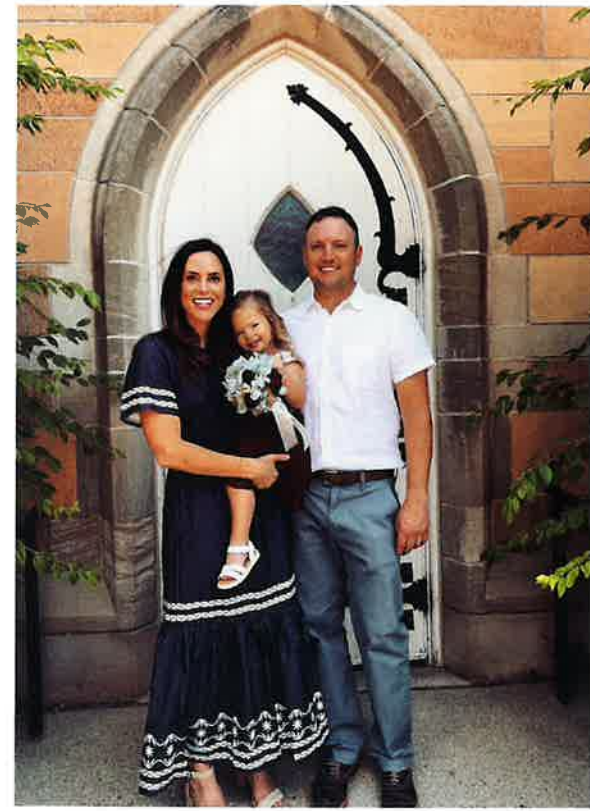

Our Story

We first met in college and quickly became close friends, forming a strong bond built on laughter, support, and shared values. Life took us in different directions after graduation, but by the grace of God, our paths crossed again five years later - and that's when our beautiful relationship truly began. Over the next several years, we grew closer and knew that we wanted to build a life together. With deep love and commitment, we joined our families and have now been happily married for 12 wonderful years.

During the first six years of our marriage, we focused on building a strong foundation of love, trust, and faith. While our life together was full of joy, we also faced the painful struggle of infertility. Through prayer, reflection, and many heartfelt conversations, we made the unforgettable decision to begin the journey of adoption - a path that would change our lives forever.

We were blessed with one of God's greatest gifts: our daughter, our angel. She fills our hearts and home with joy, laughter, and love every single day. Now, with faith in our hearts and hope in our souls, we are excited to grow our family once more. We look forward to welcoming another precious angel and continuing this journey with love, grace, and gratitude.

Our Home

Our home is a cozy, warm, and welcoming ranch-style house that's truly the heart of our family life. With 5 bedrooms and 3 bathrooms, there's plenty of space to grow, play, and make memories together. We have two comfortable living rooms - perfect for family movie nights, quiet reading time, or simply relaxing and enjoying each other's company. Our kitchen is where we love to gather, cook meals, and share laughter, and the connected bar area makes it a great space for hosting friends and family. One of our favorite things about where we live is being just a short walk from a beautiful park - a perfect spot for playing, going on walks, or enjoying the outdoors as a family. Every corner of our home is filled with love, joy, and a sense of peace - a place where we've built a life together and where children are always cherished, nurtured, and celebrated.

Our Family

Our family is one of the greatest blessings in our lives big, loving, supportive, and full of fun! Rhonda comes from a close-knit family with her wonderful mother and father, two married brothers, one married sister, and eight energetic and amazing nieces and nephews. Matthews family is equally vibrant, with his loving parents, three brothers (two married), three sisters (all married), and thirteen incredible nieces and nephews.

Our families mean the world to us. We spend a lot of time together - celebrating birthdays, holidays, and simple everyday moments. Whether it's a backyard cookout, a holiday gathering, or just a weekend visit, there's always laughter, joy, and plenty of kids running around. Both sides of our family are incredibly supportive of our adoption journey and can't wait to welcome another child with open arms and hearts full of love.

Our Family

Our Hope

Our greatest hope is to welcome another little angel into our hearts and home, and to continue growing our family through the incredible gift of adoption. We've experienced the deep joy and love that comes from becoming parents, and we're excited to share that love even more. Our home is filled with laughter, warmth, and support, and we are ready to give another child a life surrounded by unconditional love, strong values, and a family that cherishes them every single day. We believe that every child is a blessing, and we are so hopeful and grateful for the opportunity to welcome another beautiful soul into our lives.

Thank you

Thank you from the bottom of our hearts for taking the time to view our adoption book and learn more about our family. We know this is a deeply personal and emotional journey, and we are truly honored that you would consider us as potential parents for your child.

Our Catholic faith has been a constant source of strength, guidance, and grace throughout our lives and especially on our adoption journey. It has taught us the importance of love, compassion, and trusting in God's plan - values we hold close and strive to live out every day.

We are praying for you as you walk this path, and we hope you feel supported, loved, and at peace with whatever decision you make. If you feel called to connect with us, please know that we welcome you with open hearts and will continue to pray for you and your child, wherever your journey may lead.

With love and gratitude,

Matthew and Rhonda
