WHAT WE DO

Pregnancy, Parenting and Adoption Services:

Provide counseling for those experiencing an unplanned pregnancy by helping them to make the important decision of whether to parent the child or to make an adoption plan. As the only Hague Accredited Adoption Agency in North Dakota, we are a leader in international adoptions as well as infant, identified, relative or out of state adoptions.

Counseling Services: Provide counseling for individuals, couples and families, who are coping with stress, crisis, or change, by helping them discover their strengths and overcome challenges.

Guardianship Services: Vulnerable: Provide support and direction for individuals who have no source of support and are having difficulty living and making decisions in their daily lives. We are here to help the person make informed, person-centered decisions through understanding of consequences and dignity of risk on the spectrum of life choices.

Adults Adopting Special Kids (AASK): A state contracted program held by Catholic Charities North Dakota, which provides adoption services to children in foster care and the families who adopt them.

Guardianship Division: Intellectual

Disabilities: Provide guardianship services for adults with intellectual disabilities. Guardians act in the best interest of vulnerable adults who are unable to make their own decisions.

The ND Post Adopt Network: A service that provides support to families who have adopted from foster care, infant adoption, international adoption, other domestic adoptions, and to families who provide guardianship to a child in their home.
