

Country Villa 1 & 2 Newsletter

"It was June, and the world smelled of roses. The sunshine was like powdered gold over the grassy hillside."

- Maud Hart Lovelace

Finally – what we have all been waiting for – beautiful warm weather! Our residents have been enjoying time outside in the warm sunshine! Sometimes, bringing our scheduled group activities outside to enjoy makes the day great! We have started to plant annuals and have several more activities planned to help personalize our patio areas! If your loved ones would like hanging baskets or bird feeders outside their windows, please feel free to bring them to the Villa to set up!

June Birthdays

6/5 June S. (Villa 1)

In April we were excited to share that we welcomed back Deacon Gary and Deacon Jeff for our weekly Catholic services. This month, we are very happy to add that Pastor Jim from St. Pete's in Freedom will be returning for monthly Lutheran church services as well.

Starting in June, the activities department is planning campfire nights at Villa 1 and Villa 2. Visiting around a campfire, enjoying drinks and music, and roasting marshmallows are just some of the fun being planned for our summer nights.

We would like to thank you all for your dedication to resident safety, as well as understanding when necessary for us to lock down the building for health concerns. Though it can be frustrating, your support and kind words do not go unnoticed. 😊

Arts and crafts in June, trivia, word games, as well as Kitchen Fun activities will be focused around the start of summertime and Father's Day.

As always, feel free to contact us by phone or email with any questions, concerns, or inquires.

Thanks,

Courtney & Colleen – Country Villa Activity Directors
