Here we are going into March already. February brought us some very crazy weather and because of that we had to postpone a few of our entertainment events until a future date but we were able to still have our live musical entertainers perform, and that is always a good time for everyone.

In March we have a lot of fun filled activities we will be doing along with some fun crafts. We also have our what's cookin group and have some tasty treats we will be making and also enjoy eating. We do still continue with our daily book club and bingo twice a week.

I am still open to receiving your family favorite recipes, I do have a handful but would like to hopefully get as many as possible to put together a cook book for our kitchen staff to make some of your family favorites for the residents to enjoy. So please feel free to email, send by mail or drop off in person. You can share as many as you wish.

Please feel free to contact Teresa (Facility Director) Rebeccah (Assistant Director) or Deanna (Activity Director) with any questions

Thank you to all families for your continuous support and encouraging words, it is greatly appreciated.
