OCTOBER 2026

What are we up to?

October is here, and we're so excited to celebrate Halloween together! We are inviting you and your children to trick or treat with us! Trick or Treat will run from 3pm-5pm on October 31st! Please come on out to get some spooky treats! If you would like to make a candy donation; please leave it with our candy monster!

He sits by Door 2 and is hungry as ever! We are also getting out for some other fall activities! On the 13th we will head over to Blaser's Acres to pick out some pumpkins! That same week on the 16th we are taking a bus ride to look at all of the beautiful fall foliage! We hope you enjoy this wonderful start to the fall season!
