

## Springing Into April!!

March was quite the month, from beginning to end. Thank goodness we were finally able to get our Friar Tucks lunch, after being rescheduled 2 times, due to weather conditions. We had a great day out and everyone got stuffed. We also had a St. Patrick's Day celebration with Shamrock shakes and yummy snacks. Our residents got to enjoy a magic show with lots of audience participation and yes we are all still bewildered on how it's done. Everyone got to show their creative side during our craft time. This month we have a new music group performing, "Folks Like Us" and everyone is excited to hear them sing. Happy Easter to everyone and have a wonderful April.

We would like to thank you all for your support and kindness.

We have such a wonderful community.

## Nurse Kelly's Corner:

"Hello Country Villa Family and Friends.

It is coming up on my 6 month Anniversary as Director of Nursing here at CV Omro. I hope that you have seen some positive improvements I have been able to address. I personally hope that you know I have an open door policy, I will start email trains or adjust to your preferred communication method.

Collaboration is key between you, the resident, the family, and daily care staff, and myself as DOA.

I have fallen in love with the CV community and the amazing residents I am blessed to care for. I am passionate about communication, collaboration, honesty, and pride myself on my high energy, positivity and encouragement.

No matter how hard a day, situation or moment is. I am working hard to spread positivity, reframing the mind to refocus on our true purpose at CV. That we are truly blessed to be a part of the Resident's and their family's journey. Being a part of these chapters is such an honor, whether it is months or years.

Please feel free to make an appointment with me anytime to address any concerns!( I always appreciate hearing positive feedback as well).

Thank you so very much for trusting me with with your Mom, Dad, or other special family. It is an honor and pleasure.

## Familiar Faces-New Positions

Paige has been promoted to Director of Housekeeping. She has been with CV for a couple of months but has been phenomenal in her new role so far and we are so lucky to have her.

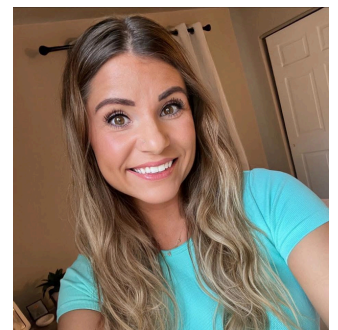

Jordan has taken on the title of Assistant Director of Nursing. She has worked at CV since 2020 and has definitely earned this title.

Please wish Congratulations when you see them

Paige
