

News to Know

I can't believe I am sending out Octobers newsletter already.

We have lots of things coming up in the next few months.

We have 2 days with live music and a fall color trip planned this month along with pumpkin painting and some fun crafts to do.

We will also be having a stuffed animal drive from October 1st -28th. I will have a collection box by our main entrance. Also we will have our candy collection monster again this year and will be accepting donations from October 1st -27th.

In November we are planning a Fall Family Bash that will take place on November 20th 4:30-6:30pm. We will have more information on this in Novembers newsletter.

Thank You For All For Your Support And Kindness.
