

CHRONICLE

December 2025

News to Know

Can you believe it's already December! November was a eventful month. We all enjoyed our fall colors trip to Holy Hill. Then we got to honor our Veterans by taking a field trip to the Oshkosh Veterans Memorial Museum. To wrap up the month we all enjoyed a nice evening at our Chili Feast. I'd say that was a good month.

Going into December we have lots of events planned. We will also have a special visitor dropping by on December 19th to see who's been Naughty & Nice.

Thank You For All For Your Support And Kindness.

We have such an amazing community.

"It is a privilege to join this wonderful community, and I am truly excited to get to know each of you. With over 20 years of experience working in healthcare and 11 years in a leadership role, I am deeply committed to fostering an environment where residents feel valued, supported, and at home. I believe that exceptional care comes from teamwork, open communication, and a shared dedication to our mission of enhancing quality of life every day. In the coming weeks, I look forward to meeting each of you – residents, families, and staff – to learn more about your experiences and hopes for our community. Together, we can continue to build on the strong foundation that makes Country Villa such a special place to live and work. Please don't hesitate to stop by my office, introduce yourself, or share your thoughts. My door is always open, and I welcome your ideas on how we can continue to make Country Villa the best it can be."
