September 2025

News to Know

It's almost Fall y'all!

Here we are in September already. We would like to start by thanking you for coming out to celebrate our Prom Family Night, it was such a wonderful evening for everyone.

We hope to have another family gathering sometime yet this fall and will keep you updated on that. We will be making some fun crafts and getting back into our book reading club, as it was requested by some of the residents.

Thank you for all your support and generosity, it is greatly appreciated.
