

COUNTRY VILLA PULASKI NEWSLETTER

What Have We Been Up To?

The month of July sure was a fun (and hot) one! We spent some time outside, made sweet treats, and we had morning stretch daily as well! For the 4th of July we did sparklers and had popsicles! We played a lot of games, and got to continue with our awesome Bible Study group and Book Club! Some of our favorite crafts were made this month which you can check out on our Facebook page! Our second Family Fun Night of the Summer was such a great time. We had a Luau theme! Our meal consisted of Hawaiian meatballs, rolls, sweet potatoes, and rice with pina colada cupcakes for dessert! Delicious! We are thankful for everyone who helped out/donated to make this event possible! In August we will have our final Family Night on August 20th from 4pm-6pm. Please RSVP to Kamerra by August 15th!

Old Faces, New Roles!

We have some exciting news! Paige, our wonderful Assistant Director, has now taken on the role of Director! Paige started here in January and has done a phenomenal job so far! She is excited for the new position and everything she can learn from it. Please stop by the office and congratulate her!

And, our very own Lexi has officially graduated and is now Country Villa's Registered Nurse! Here's a little about Lexi! Hi! My name is Lexi, and I am the nurse at Country Villa. I have been with this awesome company for over 5 years now. I started out in Freedom helping with Activities, and soon after got my CNA and joined the team as a caregiver! I began school at NWTC for my nursing degree while continuing to work as a caregiver. In July of last year I started here in Pulaski with my LPN and continued school. I graduated in May of this year and have now taken of the Director of Nursing role in Pulaski! I find great fulfillment in working here and having the opportunity to support my residents!

Congratulations Paige and Lexi! We know you will exceed expectations in your new roles!

(Fun Fact: Paige and Lexi both have sweet dogs, named Enzo and Kota who you may see around our building!! They bring in so much joy!)
