What Are We Up To?

Happy December everyone! It is finally Christmas time! Taking it back a little bit- we celebrated Thanksgiving with our 2nd Annual Family Dinner. We served over 100 family and friends!! It truly brought so much joy to the residents and our staff. Thank you to everyone who donated and helped with set up/takedown. Every year we are filled with so much gratitude. Coming up we have lots of performances this month, as well as heading over to the National Railroad Museum for their Festival of Trees! And of course, we will have a gift opening on December 24th, with a Christmas Party to follow. Then we end the month with a New Years Eve party! Happy Holidays friends!!

Meet Taylor!!

Please welcome Taylor to our team! Taylor is stepping into a new role we have here! She has been added on as our Wellness Coordinator. Taylor will be assisting our Administrator Lexi with nursing duties! Taylor actually has worked at our Freedom Facility under their nurse for the past 3 years. She came to us last month and boy are we lucky to have her!! She fits right in and has been doing a wonderful job. In her free time Taylor enjoys fishing, going up north, and spending time with her friends and family! Taylor also has 2 older brothers, and a sweet dog named Nash. Her favorite foods are sushi or steak! Taylor has a bubbly personality and it is hard not to be happy when she is around. Please wish her a warm welcome when you see her around Country Villa!!
