Entertainment will be Chris Okerse.

Sliding into Summer!

June is here and with it comes the busyness of summer. This month we will begin our monthly grocery store outings. We will have another Family Night and special Father's Day Event.

We will be adding a Women's Grief Group for anyone wanting to talk to someone, connect with their peers, and work through difficult times together. The first date will be June 26th at 10:30. It will be held in the 3rd floor east end living room.

Did you know Country Villa Little Chute has its own library? It's on the East end of the second floor in the small living room. There is no check out system. Just grab a book anytime you'd like and return it when you're finished!

We also have a free "card shop" in the third-floor activity room. There is an assortment of greeting cards. Feel free to take some if you're looking for cards.

From the Kitchen:

June brings the start of summer and fresh seasonal favorites! This month, our kitchen is looking forward to serving lighter meals, fresh fruits, crisp salads, and summer-inspired desserts that everyone can enjoy. As always, our goal is to provide meals that are nutritious, comforting, and enjoyable while creating opportunities for fellowship around the table. We love hearing your feedback and favorite meal ideas. Please share them with our team.

From the Administration:

As we welcome the month of June, we look forward to the warmth, sunshine, and the many opportunities to enjoy the season together. Summer brings a wonderful chance for outdoor activities, family visits, and special community events that brighten each day. Wishing everyone a happy, healthy, and sunshine-filled June!

Nurse's Notes:

As summer begins, June is a wonderful time to focus on staying healthy, active, and hydrated. Warmer weather means more time outdoors, so we encourage everyone to drink plenty of water, wear sunscreen, and dress comfortably for the season. Our nursing team is always here to help, answer questions, and support each resident's health and well-being.
