June

June is here, bringing sunshine, blooming flowers, and more opportunities to enjoy time together! As we welcome the start of summer, we look forward to creating meaningful moments, sharing laughter, and making new memories with our residents, families, and staff.

This month we encourage everyone to enjoy the little things — a walk outside, an afternoon conversation, music, games, and time spent with friends. Our community continues to shine because of the kindness, compassion, and support shared each day.

Thank you to our residents, families, and dedicated staff for making our community feel like home. We are excited for all the fun activities and special moments June will bring!

Happy June, From the Kitchen!

June is the perfect time to enjoy fresh flavors and summertime favorites! Our kitchen team is excited to serve meals made with care, comfort, and a little extra sunshine this season. We love bringing residents together around the table to share good food, conversation, and smiles each day.

Thank you for allowing us to be part of your home and your daily moments. We look forward to another delicious month ahead!

Nursing Corner

As we welcome the warmer days of June, the nursing team would like to remind everyone to stay hydrated, enjoy time outdoors safely, and continue taking good care of both body and mind. Small daily habits like drinking water, staying active, and getting plenty of rest can make a big difference in overall wellness.

Thank you to our residents and families for trusting us with your care. We are grateful to be part of such a wonderful community and look forward to a happy, healthy summer together!
