Awesome October!

October brings cooler weather, beautiful colors and lots of fun to Country Villa. This month we will keep busy. We will have an outing to Hobby Lobby and Mohnen's Family Restaurant. In addition, we will have music with Daniel Lovett and Bella Musik.

Trick or Treating at Country Villa Little Chute will be held on Thursday, October 29th from 6-7 pm. We would appreciate donations of individually wrapped candy for our residents to hand out. Donation boxes will be located in the lobby of each building next to our check in tables.

This month's **Staff Spotlight** is Brenda Seivert. Brenda is a full-time Activity Aide at Country Villa. Brenda brings a wealth of energy and creativity to our team. She is loved by the residents and we are so happy to have her as a part of our team. Be sure to say "Hi" to Brenda when you see her.

From the Kitchen:

October has arrived, bringing crisp fall days, colorful leaves, and plenty of delicious comfort foods! Our kitchen is looking forward to serving up some of the flavors that make this time of year, so special.

We love preparing meals for our residents and hope you enjoy all the comforting flavors coming from our kitchen this month.

From Administration:

As we settle into the fall season, we're especially thankful for the sense of community that makes our villa so special. Whether it's sharing a meal, joining an activity, visiting with friends, or simply enjoying a conversation in the hallway, it's the little moments that make each day meaningful.

Thank you to our dedicated staff for all of the care and kindness you provide each day, and to our residents and families for allowing us to be a part of your lives.

From the Nurse:

Fall is a great time to talk with your healthcare provider about recommended season vaccinations. Staying up to date can help protect you and those around you as we spend more time indoors.

As always, our nursing team is here to help with questions or concerns. Wishing everyone a happy, healthy, and safe October.
