From Our Nurse

Annual Resident Vaccine Clinics

We are pleased to offer our residents the opportunity
to participate in the upcoming annual vaccine clinics.

- **Smith Pharmacy** will take place 10/06.
- **Advanced Care Pharmacy** – the date is still to be decided.

Residents will participate in the vaccine clinic through
the pharmacy they currently use.

The Director of Nursing will be contacting all POA's to
obtain their consent for their loved one to participate,
particularly if the resident is unable to make this
decision independently.

If you would like your loved one to participate in their
pharmacy's vaccine clinic, please feel free to reach out
directly to the nurse to sign them up or to discuss any
questions you may have.

Thank you for helping us keep our residents
healthy, safe, and protected! ♥

Coming in November!

Resident Farmers Market / Rummage Sale

We will be starting something new here in November!
We will print paper CV money and all residents will be
given the same amount (still to be decided) and we will have
tables set up with new or gently used items (clothing, knick-knacks,
or other household items). We also will have tables set up with
baked goods and snacks they can purchase as well.

We will be accepting donations to help our Country Villa
Farmers Market be a huge success.

If you have any questions please feel free to contact
the facility for further information.
