WHAT HAVE WE BEEN UP TO?

Hey friends! What a summer we had! We sure will miss these warm sunny days, but are so excited for fall! It is finally Packer season, and time to watch all the colors change! We were so lucky to enjoy our final Family Night of the summer. We had a live performance from Gary Anderson; who fit right into our theme of Oldies Night! He played classic songs that we all loved singing along to! We also indulged in a delicious meal that consisted of meatloaf, mashed potatoes & gravy, green beans, buttered bread, and lots of desserts! It is such a joy to see all of the smiles, and to watch our friends spend time with their families. Thank you as well to all of our staff that make this possible! Another activity we loved this month was going over to the NEW Zoo! We walked around, fed some beautiful animals, and enjoyed ice cream bars before heading back home! We have really loved our summer activities, but this fall will be great too! Keep an eye out for a candy drive for Halloween; where we invite the community to trick or treat in our building! We are gearing up for our annual Thanksgiving dinner as well! As always, reach out to Kamerra with any questions! Enjoy

September, friends!
