

ABSORB 100®

CONCENTRATED METHYLATED SEED OIL

GENERAL INFORMATION

Absorb 100 is a spray adjuvant formulated to optimize activity of post-emergent herbicides. Post-emergent herbicides have demonstrated increased effectiveness when used with Absorb 100. This product is designed to replace petroleum-based crop oils, and is formulated from seed oil. Absorb 100 contains proprietary surfactants and emulsifiers for easy mixing in spray solutions.

BENEFITS

- ▶ The highest concentrated MSO available on the market
- ▶ Contains industry leading surfactant technology
- ▶ "Heats up" your chemical making it more potent
- ▶ Has a solvency effect on plants, opening them up to absorb chemical better

RATES

1-8 quarts per 100 gal. spray mix. For certain in crop applications, lower rates such as these may be needed: 4-16oz. per acre.

See product label for complete usage rates.

INGREDIENTS:

Principal Functioning Agents:

Methylated Seed Oil Adjuvant, Surfactant,

Emulsifiers 100%

Total 100%

CONTAINS NO NPE OR APE
