Each vendor is responsible for paying rent at the Information booth, we will have your receipt ready for you. All vendors will be prepaid by a week, this is how your spot is held. Failure to pay rent on the market day will result in a late fee of \$10, due before next Saturday Market.

## **Termination/quitting**

Any Vendor who quits the Market will not receive a refund, regardless of how ahead his/her payment is. A Vendor who is terminated will not receive a refund

If you quite, you will be liable for the days you signed up for.

## **Weights/requirements:**

One of the most common causes of injuries at the Market is canopies flying this is due to the Wind. The only way to prevent this from happening is Weights; each Vendor canopy must be secured. Market Manager will check each morning to make sure every canopy has weights, if you don't you will be asked to breakdown and this will result in a loss of rent for the day. No exceptions. Weight requirements, a minimum of 25 lbs. per Tent leg to keep them anchored to the ground, regardless of the weather, this is a must.

Any Tent that comes loose the Vendor will pay a fine of \$50 fine to the Market, this will be required to be paid on the spot.

## **Market closure/weather conditions:**

If weather conditions become severe, we will make a decision to shut down the Market on Friday by Noon, we are a rain or shine market. If it is a windy day, we will host an open-air market, we will be up and running so vendors are required to attend unless given permission by the market manager. If it's determined that severe weather conditions could compromise the safety of vendors and shoppers, we will shut down. Please note the following: If during a Market we need to shut down due to extreme weather warning, all Vendors at the Market will be issued credit for the day. Those who cancel due to weather and we are running the Market will lose rent, noted above our Market will run as an open air market day.

## **Trash:**

Vendors are responsible for removing their own trash; please have a trash can at your booth.

The trash cans at the market are for the use of the customers only.

Vendors must provide their own broom and leave their space swept and clean, the Market manager will check at the end of the day. If your area is left unclean a warning will be issued, if this happens again you will receive a \$20 fine that must be paid before the next market.

## **Booths:**

- Canopies must be provided by the vendor and must have Weights
- Vendors need to bring their own tables, chairs, and tablecloths, with all components of display contained within allotted space.
- Vendors must stay within their allotted space while selling and may not distribute samples or literature outside their stall area.
- Every Vendor is responsible for leaving their Stall space clean when leaving the Market

## **Smoking:**

The Market is a NO SMOKING area, those wishing to smoke need to be off the Market premises.

## **Product Exclusivity:**

The Market does not guarantee any vendor the exclusive right to sell any one product, the Market will determine to let in similar or alike products into the Market if it benefits the Market. If we feel that a commodity has reached its peak, we will put the vendor applying on our waiting list, if space becomes available or the product is needed, we will allow them in. This is all based on space availability and customer demand; several important factors will determine how many Vendors will be allowed to sell similar items.

## **Vendor conduct:**

Vendors may be warned, fined, suspended, or removed from the market, or have selling privileges revoked for failure to obey or conform to market, local, state or federal rules and regulations. Vendors should be honest and always conduct themselves in a courteous and businesslike manner. All Vendors will maintain a positive friendly atmosphere; vendors should bring concerns about the market to the Manager, NOT to customers or other Vendors.

Not following HVFM rules will result in termination from the Market season, if you are a season paid vendor you will lose your payment.

## **Dog Policy**

If Vendors bring Dogs to the Market they must always be on a leash, from the moment you enter the market to the time you leave. If you are a Food Vendor or your Booth is next to a food vendor you cannot bring pets, if at any time we find this rule broken you will be asked to leave and you will lose your rent for the day. We had a few incidents that forced our hand to make this decision.

For our Indoor/outdoor Winter Market: Pets are welcome, outside only. Not in the Gym.
