BOOKS

A list of required textbooks is provided below. Students can purchase books from MCCNC or another source. This list includes the price for the book if a student was to purchase it on their own. Books purchased must be the same books and editions indicated on the book list.

Students must have their books by the first day of class. Sometimes, the publisher issues new editions of textbooks with minor changes. Students will not be required to purchase any new editions during their program. MCCNC does not have a bookstore. Student pricing includes tax and shipping charges.
