

Dear Valued Patient,

We would like to inform you of an upcoming update to our payment policy.

Effective Wednesday April 1, 2026, a 3% surcharge will be applied to all credit card payments. This adjustment helps offset the increasing costs associated with credit card processing fees.

There are no additional fees for other forms of payment, including cash, check, and Flex or HSA cards. This surcharge, sometimes referred to as a convenience fee, represents only a portion of the fees that our practice incurs when processing credit card transactions.

We offer a 10% discount for cash and cashier checks on surgeries with minimum of \$450.

If you have any questions regarding this change, please feel free to speak with a member of our administrative team.

We sincerely appreciate the trust you place in us and thank you for your continued support.

Warm regards,

Dr Craven Jameson II, DMD
