NATIONAL WIC ENROLLMENT WEEK STARTS MONDAY

SUBLETTE, KS — The National Women, Infants, and Children Nutrition Program (WIC) Enrollment Week is October 5-9, 2026. During the enrollment week, Haskell County families who meet the standard income guidelines and can demonstrate a medical or nutritional need are able to enroll in life-saving benefits free of charge. WIC is designed for pregnant, breastfeeding, and postpartum women, as well as infants and children up to the age of 5. Its benefits include breastfeeding education and help, appointments with an International Board-Certified Lactation Consultant for breastfeeding clients with complex breastfeeding needs, nutrition education, appointments with a Registered Dietitian for high-risk clients, referral services, supplemental nutrition benefits such as milk, cheese, yogurt, fruits and vegetables, peanut butter, beans, fish, eggs, tofu, formula, baby food, and immunization checks and services. To learn more or to enroll in the program, call the Haskell County Health Department to schedule an appointment at (620) 675-8191. Appointments will be held at the Health Department located at 301 Derby St, Sublette, KS 67877.
