

31 NIGHTS OF SHELTER

START BY BELIEVING

Each October, Safer Path Family Violence Shelter honors **Domestic Violence Awareness Month** by partnering with local businesses and community members. This year, we're inviting you to take part in our special fundraising campaign: **31 Nights of Shelter**.

♥ HERE'S THE CHALLENGE:

- Our goal is to fill the house with 31 nights of shelter.
- Each night costs \$175—covering safe housing, meals, advocacy, and wraparound services for a survivor and their children.
- A full shelter = 25 beds filled a night
- Businesses and individuals who sponsor a night will receive a "No Excuse for Abuse" sign and a paper house cutout to display, plus recognition on Safer Path's social media, website, and in the Pleasanton Express.

HERMANN SONS LIFE

Thanks to Hermann Son's Life, your gift goes further. They are generously providing a \$500 matching donation—which means your sponsorship can have double the impact.
