

Our 24K Red Carpet Under Eye Masks are formulated with pure hyaluronic acid, peptides, and Nano-Gold to attract, retain moisture, and decrease puffiness in the delicate eye area. The eyes will appear more refreshed, renewed, and revitalized.

Key Active Ingredients:

- **Ellagic Acid:** Powerful antioxidant that lightens the skin and reduces UV-induced skin pigmentation
- **Hyaluronic Acid:** Improves dryness, replenishes the skin, and provides structure and volume
- **Collagen:** Hydrates and helps to smooth cellulite by strengthening the durability and elasticity of the skin
- **Arbutin:** Lightens dark spots, lessens the appearance of acne scars, and helps even out skin tone. Helps to prevent discoloration and hyperpigmentation
- **Algae Extract:** Hydrating, revitalizing, toning, and helps improve skin elasticity
