CLEANSERS

SOOTHING CLEANSING BALM

Dry/Sensitive/Hydrating

Our luxurious Soothing Cleansing Balm is formulated with rich antioxidants and natural fruit extracts to help restore the skin's natural moisture, leaving the skin feeling hydrated. This cleanser exfoliates dirt and impurities while hydrating the skin. Ideal for sensitive and mature skin types.

Application:

Gently massage onto dry facial skin. Rinse well with warm water. Repeat if necessary.

Dime size amount both AM & PM

AM/PM

CLEANSERS

CLEANSERS

BRIGHTENING ENZYME GEL CLEANSER

Universal/Anti-Aging/Brightening

Gentle yet effective! Rich in natural plant enzymes and antioxidants designed to brighten the skin by exfoliating dead skin cells. Removes impurities, oil, bacteria, makeup. Leaves skin supple, never tight or dried out. Ideal for normal to oily and blemish prone skin as it helps treat & prevent breakouts. Effectively protect skin's delicate pH balance.

Application:

Use morning and evening. Apply a small amount to the palm of a clean, dampened hand. Gently massage onto dry facial skin. Pay particular attention to problematic areas such as the T-zone. Rinse well with warm water. Repeat if necessary.

Dime size amount both AM & PM

CLEANSERS

AM/PM

CLEANSERS

BLEMISH CONTROL GEL CLEANSER

Blemish Control/Oil Control

2% Salicylic Acid & Lactic Acid to eliminate pore clogging oil on the skin. Leaves the skin exfoliated and refreshed without stripping the skin of moisture.

Application:

Gently massage a small amount onto the face. Rinse with warm water and pat dry. If using in the morning, apply before serums and sunscreens. If using in the evening, follow with corrective products or moisturizers.

Dime size amount both AM & PM

PADS

GET YOUR GLOW ON!

Skin Brightening/Anti-Aging

Get Your GLOW On! Pads with TCA reduce the appearance of fine lines, wrinkles, blemishes, and scarring. They stimulate the production of collagen by increasing ceramide and free fatty acid levels in the skin. They work to protect against cell damage and accelerate cellular turnover to brighten skin. Safe and effective for all skin tones.

Application:

After cleansing apply onto dry face, neck, and chest. Follow with intensive hydrating serum or cream. Do not use on the same night as the Retinol Renewal Cream 0.05%.

Start by using 2-3x per week. Can Increase frequency based on tolerability and Skinjava Medical Spa's direction.
