

Now Available from Haas Door:

AMERICAN WALNUT

Welcome to the newest residential color from Haas Door. American Walnut, with a bi-directional wood grain pattern and baked on custom finish, gives you the exact appearance of real wood. Crafted from 26 gauge galvanized steel, American Walnut features a light stucco embossment and low gloss finish.

American Walnut is available in the following 2000, 700 and 600 series residential models:

Ribbed Short Panel
2060, 760, 660

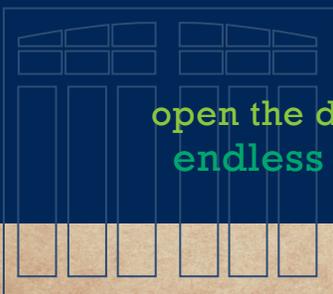

Recessed Short Panel
2061, 761, 661

Recessed Long Panel
2063, 763, 663

Ribbed Long Panel
2064, 764, 664

open the door to
endless possibilities
