PART I INTRODUCTION OF LMB SERVICES, LLC

LMB Services, LLC is a Louisiana Licensed General Contractor that specializes in Civil and Heavy Construction Public Works Projects.

LMB has been owned and operated by Mr. Louis M. Badalamenti since 1988.

Based in Belle Chasse, LA, LMB serves entire southeast Louisiana.

License classifications include:

- Heavy Construction
- Highway, Street & Bridge Construction
- Building Construction
- Municipal & Public Works Construction

Louis is the Qualifying Party for all four classifications. In 32 years, LMB has never received a single fine, citation, or been the subject of an administrative action from the State Licensing Board for Contractors or any other governmental agency.

LMB maintains a small, but efficient and effective, management team of Construction Professionals including:

- U.S. Army Corps of Engineers Trained & Certified Quality Control Managers. (CQM)
- Construction Cost Estimators.
- Project Managers.
- Project Superintendents.
- Site Safety & Health Officers (SSHO).
- Schedulers.
- HAZWOPER.
- Lead Workers.
- Confined Space Entry.
- OSHA Competent Person.

Tel. 504-920-1012

Louisiana Contractor's License #70108

LMB typically self-performs:

- Building, Concrete, Bridge, Tower & Structural Demolition.
- Clearing & Grubbing.
- Excavation, Earthwork, Levees, Canals, Dredging & Grading.
- Contaminated Soils Remediation, Hauling & Disposal.
- Flatwork & Structural Concrete.
- Subsurface Drainage Systems.
- Metal Building Construction.
- Hauling & Installation of River-Sand, Limestone & other Aggregates.
- Landscaping.

When specialty trades are needed, LMB is teamed with very reliable and fully vetted subcontracting firms. This allows LMB to provide a full array of services including:

- Interior Demolition.
- Asbestos Abatement.
- Lead Abatement.
- Mold Remediation.
- Electrical Work.
- Plumbing & Mechanical.

In addition to LMB's in-house management team, LMB maintains long time working relationships with various Highly Experienced and Credible Construction Consultants including:

- Andrew Rodgers, PhD – CIH and Environmental Expert.
- J.W. Krebbs, PLS – Boundary & Elevation Surveys and Construction Layout.
- Kenneth J. Meyn, P.E. – Geotechnical & Materials Testing Specialist.

PART II

32 YEARS OF SAFETY AND STABILITY

Celebrating 32 years in business, LMB Services has an excellent Safety, Performance and Payment record. It has never suffered a fatality, serious injury or failed to complete a single project or been subject of a collection or personal injury lawsuit.

LMB attributes its excellent safety record to the administration of its USACE EM385-1-1 compliant Safety Program. At ALL TIMES, workers and jobsite visitors are REQUIRED to wear appropriate PPE. Weekly Onsite, Job Specific, Safety Meetings and Equipment Inspections are held at which all LMB workers and subcontractors are required to participate.

LMB conducts monthly supervisory staff Safety Meetings designed to keep LMB's management team up to date with the latest techniques in educating and motivating its workforce to utilize safe work practices.

Drug Free & Hazard Free Workplace –

LMB's workers and its Subcontractors must participate in a random drug screening program. Cell Phone use is Strictly Prohibited on and in the jobsite in immediate work / hazard areas.

Insuring LMB's stability, when called upon, LMB can provide a Surety Bond guaranteeing completion of the project and/or payment of its subcontractors and suppliers.

LMB's Surety is CRUM & FOSTER an "A" rated, treasury listed surety.

LMB's Bonding Agent is Mr. Miller Hilliard with the R.A. Brunson Company.

Performance and Payment Bonds are billed to the Client at the rate of 3% of the total contract amount.
