

HOPE PROGRAM

We are excited to invite you to apply to attend the 2025-26 HOPE Program. This year-long program provides aspiring healthcare students an opportunity to participate in sessions with students from all over Colorado every 4-6 weeks via Zoom.

2025-26 HOPE Program Schedule

Date	Hosted by	Session Title
September 8	Colorado AHEC Program Office	What is HOPE?
October 6	SWCAHEC	Infectious Disease Pathology, Epidemiology and Careers in Public Health
November 3	SECAHEC	The Community health work and health navigation workforce
December 1	FRAHEC	Creating a Culture of Wellness
February 2	SLVAHEC	The Truth About Vaping and Mental Health
March 2	CAHEC	Vision and Eye Health
April 6	WCAHEC	Discover Healthcare

Register Now!

Students who attend 3 or more HOPE Program sessions during the school year will receive priority consideration for acceptance into the 2026 HOPE Institute, a free week-long career exploration camp in the summer at the University of Colorado, Colorado Springs and Anschutz Medical campuses.
