

# MEET YOUR DIRECTOR

## About Me

Hi, I'm Erica Alexander, the Director and one of the Owners of The Little Learning Preschool! I've been married to my husband, Sean, for 10 years, and together we have three amazing children — Elyjah (8), Sariyah (6), and Sean Jr. (1).

My career journey has taken me from teacher and childcare director, to hospice social worker, personal trainer, and now childcare owner — and the common thread through it all has been PEOPLE. I'm passionate about teaching, coaching, and helping others grow into their best selves while walking in their purpose.

I feel truly blessed to now be in a role where I can support and coach early childhood educators as they pour into our little learners every day!

## My Education & Experience

I hold both a Bachelor and Master of Science in Social Work, and my childcare career began back in 2006. Over the years, I've served as a school-age teacher, summer camp program director, and classroom teacher for every age group from 2s through Pre-K — though I'll admit, 3-year-olds are my favorite to work with!
