

# MEET THE TEACHER

## MS. SHADONNA

### About Me

I am a proud mom of five amazing kids and have a really great partner who supports me in everything I do. My family is my world, and they inspire me every day to be my best. I love creating fun, joyful moments and bringing positive energy wherever I go. Being nurturing, patient, and understanding is very important to me — especially when working with children.

### My Education & Experience

I have experience working in early childhood education and am passionate about helping young children learn, grow, and feel confident. Over the years, I have developed strong skills in supporting children's social, emotional, and academic development. My experience as a mother of five has also given me valuable insight, patience, and understanding in caring for children of all personalities.
