Road Captain Report

There was a private ride the previous weekend that totaled about 250 miles with some of the riders group. 4 bikes escorted the wall to the Missouri line after it was torn down.

Old Business

GWOT escort went well. The wall response was great while it was here.

New Business

There is a need for volunteers for the IVOE hunt happening November 13th to the 16th this year. They need help with the hunt and other things. October 20th at 6PM at the Legion is the meeting for the final planning for this. Come to the meeting for information.

Tim Moore said he will take over planning the final fall ride.

We decided to change our membership dues coming out on January 1 of the calendar year.

Ellen has suggested we have a set of By-laws that make things cut and dried. Shelly, Tim and Ellen will work on setting up our By-laws. There was a motion made by Adam Hopp for this to happen and it was approved.

Scott R said we now have Legion license plates again.
