

## **One-Year Limited Warranty**

### **Warranty Overview**

Bear River Cabinetry LLC warrants to the original purchaser that our cabinetry will be free from defects in materials and workmanship under normal residential use for one year from the date of purchase. This warranty is non-transferable and may not be amended, expanded, or otherwise modified, whether expressly or impliedly, except by an officer of Bear River Cabinetry in a signed writing.

At our discretion, Bear River Cabinetry may repair or replace any product determined to have a manufacturing defect and is covered under this warranty.

### **This Warranty Does Not Cover**

- Normal and expected changes in natural wood, including aging, darkening, grain variation, and color differences.
- Damage caused by misuse, negligence, excessive moisture, heat exposure, accidents, alterations, or improper installation.
- Wear from regular use or lack of proper maintenance.
- Hairline cracks near joints or hardware due to natural expansion and contraction—especially in painted finishes.
- Countertops, appliances, plumbing fixtures, or associated removal/reinstallation costs.

### **Natural Wood Disclaimer**

Wood is a natural material. Over time, slight mellowing or color changes may occur due to light exposure. Replacement components may differ slightly in grain or tone due to natural variation.

## **Hardware Items**

Certain functional hardware—such as hinges and drawer slides—may carry their own manufacturer lifetime limited warranties. Defective hardware will be replaced within one year at no charge. After one year, replacement or service may incur a fee, depending on supplier availability.

## **Limitation of Liability**

Bear River Cabinetry is not responsible for damages exceeding the original purchase price of the product.
