Step 1: Sign Up Email

Simplify your tax filing process!

Tax season can be busy for everyone! We realize visiting our office may not fit into your schedule. Many clients prefer using our secure online portals. Setting up a tax portal allows you to provide your tax documents directly to us at your convenience.

In-Person appointments will always be an option if preferred.

This is a link to register your new Tax Portal with Marino, Goetz & Associates. **The process is quick and simple. Simply choose a password and you're good to go!** Your username is the email address that received this message - if you prefer to use a different email address please call the office BEFORE setting up your portal.

- Secure and easy to access
- Saves you time by eliminating two office visits
- Upload to the portal at your convenience, allowing us immediate access
- Electronically sign your e-fie authorization forms expediting the filing process
- Tax returns will be in one place that you may access any time

Detailed instructions on how to use the portals can be found on our website *www.mgataxes.com*.

Please call Alex at 516-536-7639 if you have any questions.

We look forward to hearing from you.
