

FROM THE DIRECTOR'S DESK

We celebrated our 27th year at this Location last month. We started as a small in home sitting service in the 80's, and now have been providing care in Blount County for more than 35 years.

There have been so many great memories made inside these doors. We pray and hope to continue creating them far into the future. For us, this month is always a time of reflection on all of the relationships we have built through the years. We feel truly blessed!

The Lions Club came by on February 23rd and scanned 54 student's eyes looking for abnormalities.

We should have results back over the next 2-3 weeks. They will contact you directly, if there was anything found that needs a follow up with a Dr.

Shot Record Audits are on their way. Please make sure you have supplied us your child's latest shot record and any updated personal information.

Payments

Please be sure to make timely payments on your account to avoid late fees. If you are unsure of your balance or your payment schedule please see the office for details.

CURRICULUM

The Units for this Month are:

**Dr. Seuss
Ducks

Happy Birthday

Ace A.

Christine D.

Avery E.

Novalee J.

Aspen P.

Tatum M.

Boston S.

Happy Birthday in Heaven

Ms. Jamie

The Teachers Corner

FAMILY PICTURES

If you have any updated family pictures, we would love to have them to display in your child's classroom.

Don't Forget

Our clocks will spring forward on Sunday the 8th.

Change of Clothes for your Child

Please bring your child a change of clothes for accidents and messes.

This Months Bible Verse

That person is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither— whatever they do prospers.

Psalms 1:3

SICKNESS

Please do not bring your child to school sick. We have had teachers out with Covid, Pneumonia, Bacterial infections and Flu. When a teacher gets sick because of exposure it makes it very hard to provide care. Office staff can try to fill gaps but there are only a few of us to do so. Thank you in advance.

Sign up for a Parent/Teacher Conference to get more information on your child's development and classroom curriculums.

Safe Play Starts at Home: Essential Tips for Warm Weather Fun

As the weather warms up and kids head out to play, be sure to follow these **essential safety tips from PlaySafe.org**:

Store Your Toys

Keep toys away from pools, driveways, and streets with traffic so they don't lure children into dangerous situations.

Toy Shopping Online?

Only buy from reputable sellers.

Ride Safely

Make sure the whole family is wearing helmets and other protective gear.

Supervise Play

Have a pool or swing set? These activities require extra vigilance.

Age Matters

Always follow a toy's age label and safety information.

For more trusted advice about keeping kids safe while they play all year long, visit www.PlaySafe.org.
