

FROM THE DIRECTORS DESK

This Month will make it official.

Miss Missy will be listed as our Director with the State of Tennessee.

Miss Holly will of course continue in her role as Assistant Director.

Allen and Chuck are still on-sight and do not plan on that changing. Allen works early in the morning and Chuck works early to mid morning.

Impact should be minimal, and you are still more than welcome to continue talking to anyone in the office about any specific needs you may have.

The team is still the team and we are excited for the upcoming year. Thank you so much for continuing to trust us to do what we love. Which is to teach and love these kiddos.

Parent/Teacher Conferences

If you would like to meet with your child's teacher, please feel free to sign up with your child's teacher. You can learn about your child's development, goals, curriculum and schedules. Quite a few of our students will be moving classroom over summer so this is a fantastic way to get familiar with the teachers you may not know.

"It was you who set all the boundaries of the earth; you made both summer and winter." Psalm 74:17
