

Summer/Fall 2022

portals™

Portals Hardware was founded on the belief that we can provide you better designed hardware that also complements the rest of the bathroom, from both a design and finish perspective. We joined the Bohle family of companies in 2018 with the objective of expanding Portals' scope to include other products, always striving to provide the highest quality with innovative design features. We add the greatest value by using our expertise to understand and expand the product marketplace available when working with glass as a design element.

*Cover photo courtesy of: Oasis Shower Doors,
646 Springfield Street, Feeding Hills, MA 01030*

Our Process: We are constantly looking at products in the glass/glazing market and evaluating where we can meet a need that is not currently served. We work with our own manufacturing resources and exclusive vendors to provide you with the highest quality product available.

We offer a wide array of stocked finishes to suit your design needs. Please note that not all items are available in all finishes. Please see Suites for available stocked finishes.

Stocked Finishes:

*Polished Brass
605 PVD*

*Brushed Brass
606 PVD*

*Oil Rubbed
Bronze Dark 613*

*Oil Rubbed
Bronze Medium 614*

Polished Nickel 618

Brushed Nickel 619

Matte Black 622

Polished Chrome 625

The Portals Commitment:

Lifetime Warranty – Our ability to control the manufacturing process allows us to offer the strongest warranty in the industry.

Uncompromising Value - We focus on producing products that allow our customers to have a designer bathroom with excellent quality and providing the greatest value in the market.

Outstanding Service - Ordered today, shipped today. More than 95% of all orders placed before 3pm CST will ship the same day. Our team is always available to help you understand our products or help you determine what glass can do in your location.

Portals products are designed to give you a complete solution coordinating with the other design elements as you utilize glass to create your personal oasis.

How Portals Hinges are Different:

Door Size Specifications for Portals Hinges

Hinge Specifications	Standard Duty		Heavy Duty		Ultra Heavy Duty	Standard Duty Pivot	Heavy Duty Pivot
	2 Hinges	3 Hinges	2 Hinges	3 Hinges	2 Hinges	2 Hinges	2 Hinges
Maximum Door Width:	28"	32"	36"	36"	40"	32"	36"
Maximum Door Weight:	90 lbs.	120 lbs.	110 lbs.	150 lbs.	160 lbs.	110 lbs.	145 lbs.
Max. Weight per Hinge:	45 lbs. max	45 lbs. max	55 lbs. max	55 lbs. max	80 lbs. max	N/A	N/A
Max. Weight per Bottom Hinge:	N/A		N/A		N/A	110 lbs.	145 lbs.
Glass Thickness:	3/8" to 1/2"		3/8" to 1/2"		3/8" to 1/2"	3/8" to 1/2"	1/2"

Formula to Determine Weight of Glass Door:

Determine Sq. Ft.: (width x height = sq. inches) (divide sq. inches by 144 = sq.ft)

Determine Door Weight: (mutiply sq. ft. x weight/sq. ft. = weight of glass)

3/8" glass = 5.05 lbs./sq.ft.

1/2" glass = 6.40 lbs./sq.ft
