### Self-Parking for Easy Retrieval

The Scuba SE is designed with convenience in mind. It automatically parks near the pool wall when its battery is low or when cleaning is finished, ensuring easy retrieval without the need to get into the pool.

### Cordless, Lightweight Design

Say goodbye to tangled cords and heavy equipment. The Scuba SE is completely cordless, lightweight, and portable, offering effortless storage and hassle-free cleaning. It's the perfect solution for anyone looking to streamline pool maintenance. No more dealing with outdated cords, just pure, efficient cleaning.

### Audio Alert System

Stay informed throughout your pool cleaning experience. Scuba SE features audio alerts that provide real-time updates on the device's status, making it easier for you to monitor the process and know when it's time to act. Enjoy worry-free cleaning and peace of mind.

### One-Click Activation

Cleaning your pool has never been simpler. With one-click activation, the Scuba SE starts up immediately—just turn it on, drop it into the pool, and let it take care of the rest. It cleans your pool with precision and ease, providing you with a spotless swimming area with minimal effort on your part.
