

Kim Reeves

Client Testimonials

“

Kim is extremely knowledgeable about intricacies related to starting up my business. She spent the time to walk me through what I needed to do, what she could do, and what the outcomes would be. Kim also provided additional options to create better future situations than I had considered in my plan. Definitely will work with her again.

aoaks, August 2020

“

Kim listened to my questions and concerns and then provided clear and concise answers. No legal-ese or you can't do this without me whatsoever. If I ever have questions again, I would love to be able to speak with her.

Cary, July 2020

“

Associate Kim Reeves has a knowledgeable pragmatic, practical view of legal standing. She has approached my personal and company's needs with optimism, laced with reality. Her MBA and business background affords me a combination of. business savvy as well as competence in document review and drafting.

I strongly recommend Kim for both corporate and personal needs.
