We are looking for Full Time employees that want to learn and grow with our company.

Recreational Concepts is a pool store that sells and installs inground and above ground pools, spas, Trex composite decks, outdoor kitchens, anything you need in your backyard.

Check out our website **www.recreationalconceptsinc.com** or Facebook page: **<https://www.facebook.com/poolsales/>** to see pictures of what you could be building.

Our Line of work is diverse with opportunities to work on many different aspects of projects. A pool build involves digging with a front-end loader, mini and full-size excavator, grading, kit build, plumbing, slides, diving boards, equipment setup, automatic pool covers, pool bottom troweling, concrete patios. A concrete finisher works on the concrete crew, preparing and pouring broomed finishing and stamped patios around inground pools.
