# ABOUT HEALTHY SENIORS

## OUR MISSION

The Mission of Healthy Seniors of Steele County is to provide services to seniors and caregivers so they may live safely and independently in their own homes. In each community, adult volunteers are recruited, trained and coordinated to provide good neighbor to neighbor acts of kindness to support seniors and caregivers throughout Steele County.

## WHO WE SERVE

Steele County seniors 65 and older and support family members and caregivers of Steele County residents

## SERVICES

**Needs Assessments and Referral:** Individual needs assessments are done to help meet, create or connect resources to fulfill needs that may arise in order to keep seniors residing in Steele County happy, safe and independent in their own homes.

**Friendly Visits/Senior Companion:** Volunteers visit seniors in the comfort of their own homes, providing an opportunity for friendship and fellowship.

**Respite Care:** Volunteers stay with homebound individuals to provide caregivers time away from their caregiver duties.

**Caregiver Support:** On-going support services for those caring for a senior that are living in their own home or residing in an assisted living facility in Steele County.

**Chore Service:** Fall clean-ups are coordinated to help seniors with leaf raking.

**Medical Escorts:** Medical Escorts provide a companion for medical appointments, assisting the senior in understanding physicians' orders and helping to facilitate communication between the senior and the medical staff.

**In-Home Strength & Balance Exercise:** A program designed to help decrease the number of falls for seniors to maintain independence in their home.

**Friendly Calling:** Safety check-ins to reduce isolation and loneliness.
