What do the generated funds support?

This fundraiser supports Healthy Seniors of Steele County, whose mission is to help senior citizens live safely and independently in their own home. Here is what the proceeds from last year's tournament helped us do:

- Coordinated services to 1,594 seniors and caregivers throughout Steele County
- Provided 4,842 service hours
- Diverted 441 months of nursing home placemats

Healthy Seniors looks forward to continuing to expand our efforts in recruiting/training volunteers, as well as assessing/coordinating services to seniors and caregivers throughout the Owatonna, Blooming Prairie, Ellendale, and Medford communities.

We appreciate your consideration, and are so grateful for the generous support we receive from the community.

Sincerely,
