

THE FAMILY LEARNING CENTER

“Empowering families and children to change the world”

*Your gift makes possible a summer
that sparks young minds and changes futures*

Dear Friend of the Family Learning Center,

For many children, summer brings enrichment and growth. For children from under-resourced families, summer often means academic loss, food insecurity, limited supervision, and increased risk.

This year, the need is greater than ever. With significant federal cuts to education and human services, families face fewer supports and fewer safe options for their children. Schools cannot fill this gap alone. Community programs are being stretched to the breaking point.

That is why the Family Learning Center must raise \$35,000 to provide our Summer Academic, Social-Emotional, Nutrition, Physical Activity, and Safety Camp for 70 low-income school-age children, as it has done for over 44 years!

Your support will provide:

- Academic instruction to prevent summer learning loss and strengthen reading and math skills
- Social-emotional learning that builds confidence, resilience, and positive peer relationships
- Nutritious daily meals so children can learn and thrive without hunger
- Physical activity and wellness programming for healthy development
- Safe, structured care that offers stability for children and peace of mind for parents

At a time when public funding is shrinking, your generosity matters more than ever. Your gift can make an immediate impact:

- \$500 provides academic and enrichment materials for one week
- \$1,000 supports meals and programming for multiple children
- \$2,500 or more underwrites a core component of the summer program

Please give today so no child is left behind this summer.

In gratitude,
Yvette Rollins
President
Family Learning Center

A gift to The Family Learning Center may qualify for the Colorado Child Care Contribution Tax Credit, allowing you to receive a 50% Colorado state income tax credit while also claiming a federal charitable deduction.
