PetDoor PRODUCTS

HOW IT WORKS

The Patio Pet Door insert is a complete system. It replaces the glass in the sliding door panel of your patio door. Its unique mounting system is built to the existing glass unit size and requires no special fasteners. It's that easy!

SECURITY

Your Patio Pet Door insert will allow your patio door to slide, function and lock as originally designed. Existing alarm systems or secondary locks will work without modification. The pet opening features a solid security panel. It is both secure and easy to use.

PEOPLE FRIENDLY

The Patio Pet Door insert is a complete system. It replaces the glass in the sliding door panel of your patio door. Its unique mounting system is built to the existing glass unit size and requires no special fasteners. It's that easy!

COLORS

The Patio Pet Door insert is maintenance free and requires no painting. We produce fusion welded vinyl frames in white, light tan and dark tan.

SIZED TO FIT YOUR PET

The Patio Pet Door insert is custom built to fit your patio door. Like you, we are pet lovers too. Every Patio Pet Door insert is built with your pet in mind. We offer pet opening sizes for small, medium, large and extra large pets.

EFFICIENT

Our insulated safety glass is direct from Cardinal IG, available in a variety of glass types and tints. XL edge insulated glass comes with the lowest failure rate in the industry. Developed in part from Cardinal's 45 years of experience in manufacturing IG units, 27 of these years utilizing a dual-seal silicone system.

PRICING

The Patio Pet Door system is a custom product with various glass and pet door opening options. It costs less than many competing systems that block your sliding door opening. We can suggest the size and options best suited for you and your pet.

INSTALLATION

The Patio Pet Door conversion system measures and installs like a normal glass replacement. Installation takes as little as 30 minutes. It provides through glass pet access in your vinyl sliding patio doors. It comes fully assembled and our expert installers will make sure you get a great result.
