Sunbreeze Oil or balm

This little bottle is easy to carry
in your pocket and has many
uses. Some insects don't like
the smell of it, but if you get a
bite, put a dab of Sunbreeze on
it. It may also provide relief for
sniffles, sneezes, and allergies.
Great for sore muscles. New
size and look.

Warm weather is on its way!

That brings yardwork, picnics,
swimming, and many other out-
side activities. Be prepared with
healthier sunscreen and bug
repellent. Numerous essential
oils may work well for keeping
those nasty bugs at bay!
