QUALITY AT EVERY LEVEL

ADAPTIVE One® PASSENGER CAR

- Ceramic friction material
- 4-layer superior PTFE shim for noise-free braking
- PTFE rubber coated hardware (where applicable)
- CleanCoat Technology providing an improved break-in process

ADAPTIVE One® R90 EURO

- Ceramic ECE R90 certified friction material
- 4-layer superior PTFE shim for noise-free braking
- PTFE rubber coated hardware (where applicable)
- CleanCoat Technology providing an improved break-in process

ADAPTIVE One® PERFORMANCE

- Ceramic friction material formulated for aggressive stopping
- 4-layer superior PTFE shim for noise-free braking
- PTFE rubber coated hardware (where applicable)
- CleanCoat Technology providing an improved break-in process

ADAPTIVE One® TRUCK & SUV

- > Ceramic friction material
- > 4-layer superior PTFE shim for noise-free braking
- > PTFE rubber coated hardware (where applicable)
- > CleanCoat Technology providing an improved break-in process

COVERAGE FOR 99.5% OF ALL VEHICLES ON THE ROAD

SILENTGUARD™ BRAKE PADS

- Ceramic and semi-metallic friction material
- Exclusive Silent Guard 4-layer fiber reinforced rubber shim
- PTFE rubber coated hardware (where applicable)
- CleanCoat Stripe Technology providing an improved break-in process

PROFORMER™ BRAKE PADS

- Ceramic and semi-metallic friction material
- 3-layer rubberized shim
- Stainless steel hardware (where applicable)

STOPRITE™ BRAKE PADS

- Ceramic and semi-metallic friction material
- 3-layer rubberized shim

HUB BEARINGS

INTRODUCING NEW E-COAT HUB BEARINGS

Why NAPA E-Coat Is “BETTER” Than Other Competitors

- OEM process electrodeposition coating (E Coat), which provides superior rust & corrosion protection passing 240 hr salt spray test
- Protocol Steel offers extended performance and superior fatigue life
- High Quality Chevron BP-2 grease for all precision components
- OEM Integrated ABS Connectors for long life and durability
- Triple-lip seal design
- Orbital formed design on applicable parts for easy installation & improved pre-load condition to avoid over-torque
- Meet or exceed OE fit, function and performance
- 472 skus, ~93% coverage on Passenger / Light Duty Trucks
- 3 years / 36,000 mile warranty

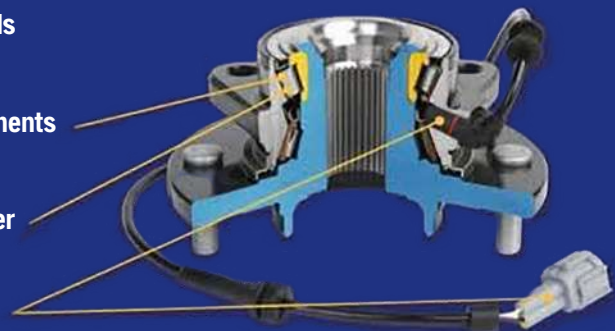

- Orbital formed design
- Premium triple-lip seal design
- Electrodeposition coated
- OEM lug studs

Precision Roller Components

Single and double row bearings - ball & taper roller matching OE design

OEM Integrated ABS Connectors for long life and durability

THE ULTIMATE IN BRAKING PERFORMANCE

NOW AVAILABLE AT NAPA

Brembo's expansive inventory of premium braking solutions is now available at NAPA stores nationwide—making OE-level quality, unmatched control, and race-proven performance more accessible than ever.

Visit your local NAPA store today for the Brembo parts you need to elevate every drive.

NEW MUST-SEE SOLUTIONS™

Our latest innovations
that service professionals
need to know about.

LOWER INTERMEDIATE STEERING SHAFT

This steering shaft directly replaces the original equipment on specific vehicle applications. It is thoroughly tested to meet Federal Motor Vehicle Safety Standards, and precision-machined to ensure a tight, secure fit.

NOE 425-207

Ram 1500 2018-14, Ram 1500 Classic 2024-19, Ram Pickup 2014

LOADED MAGNETIC STRUT ASSEMBLY

This Dorman® OE FIX® loaded magnetic strut assembly features an innovative upgraded top seal design that prevents a common and costly cause of strut failure. This active strut is a direct replacement for the OE component and retains true active adaptability unlike many competitors "passive" units which bypass the active suspension system. Our patent-pending top seal block assembly absorbs impact pressure better by more effectively and efficiently relieving and restoring cyclic fluid pressure on demand, virtually eliminating the relentless and damaging internal fluid pressurization inherent in the original equipment's design. In addition, this assembly features more durable mounting points to help ensure long service life under the toughest conditions. And because this is a pre-assembled loaded assembly, installation does not require the risk and hassle of using a spring compressor.

NOE 949-730XD

Cadillac 2020-15,
Chevrolet 2020-15, GMC 2020-15

LOADED KNUCKLES

This Dorman® OE FIX® loaded steering knuckle offers the labor-saving convenience of being pre-assembled and features a patent pending and proprietary coating that helps prevent corrosion between surfaces, providing a more permanent and reliable repair than the factory knuckle design. This kit includes all the needed components already assembled for a fast, simple, safe installation. It includes a new front knuckle, wheel bearing, hub and application-specific hardware.

NOE 686-449 (Front Left) | NOE 686-448 (Front Right)

Ram 1500 2018-12, Ram 1500 Classic 2022-19

RIDE SMOOTH. DRIVE CONFIDENT.

Upgrade to NAPA Air Suspension for Ultimate Comfort and Control.

Restore your vehicle's ride height, comfort, and control. Our precision engineered air suspension parts are built for durability and performance, delivering the smooth ride you expect. Trust the NAPA brand for quality you can depend on.

- Better than O.E. Design
- Full Import and Domestic Coverage
- Active and Passive options
- Includes Compressors, Valve Blocks, and Ride Height Sensors
- All New No Core
- Live Tech Support

Mobil 1™ Emission System Protection motor oil

Recommended for high-performance European vehicles

- Maintains emission efficiency in diesel- and gas-powered European vehicles
- Cleaning agents help reduce deposits and sludge buildup for cleaner engines
- Keeps your engine running like new

Spring Forward & Save

with Castrol® GTX® Full Synthetic

- 6X better wear protection*
- 1.3X better sludge protection**
- 3X stronger vs. the leading full synthetic†

Full synthetic formula provides thermal and oxidation stability plus a superior level of protection against viscosity breakdown. GM dexos1™ Gen 3†† approved for 0W-20 and 5W-30.

* than industry standards, as measured in the latest Sequence IVA test
 ** on critical engine parts than industry standards, as measured in Sequence VH sludge test vs. API SQ limits
 † against viscosity breakdown, based on Kurt Orbahn test in 5W-30 grade
 †† Per GM Service Bulletin, vehicles factory filled with dexos1™ 5W-20 oil are approved to substitute dexos1™ 0W-20 oil as optional top off and service fill

\$23.49 per 5 qt | **\$4.79** per 1 qt

Q2 INSTALLER INCENTIVE

ACTUAL PRODUCT MAY VARY

ROYAL PURPLE
SYNTHETIC OIL

**LOAD UP.
ROLL OUT.**

ROYAL PURPLE® INSTALLERS GET A FREE ROYAL PURPLE FOLDABLE HEAVY DUTY UTILITY CART

PROMOTION DATES | APRIL 1 – JUNE 30, 2026

HOW THE PROMOTION WORKS

Get a Royal Purple Foldable Heavy Duty Utility Cart when you purchase 15 cases or more, or an equivalent volume in alternative packages, of any Royal Purple lubricant or grease product(s) during the promotion period (excludes chemicals). See terms and conditions for additional details.

HOW TO GET YOUR FOLDABLE UTILITY CART

- Filing a claim is easy. Just take a photo or scan of the invoice clearly documenting your qualifying 15 case purchase during the Promotion Period. 15 case purchase must be made on single invoice.
- Go to: Installer.RoyalPurplePromos.com. Fill in the required information on the online claim form. Upload a scan or photo of your invoice.
- Click Submit.
- Your claim will be validated and processed, and your Foldable Heavy Duty Utility Cart will be automatically shipped to the address provided in the online claim form within 4 weeks of submission.

Claim deadline: July 15, 2026

REPLACEMENT PARTS

INSTALL WITH CONFIDENCE. PROTECT YOUR ENGINE.

Avoid the 6 Leading Causes of Premature Engine Failure
Every engine we build undergoes rigorous quality-control testing and must meet exacting performance standards before it leaves our facility. Help ensure long life and avoid warranty issues by preventing the most common installation errors:

1. DRY START — #1 Immediate Failure Cause

Always pre-lubricate before starting a newly installed engine.

2. OVERHEATING

Use manufacturer-specified coolant. Inspect the entire cooling system: radiator, fan, thermostat, hoses, belts.

3. TRANSFERRING FAULTY PARTS

Do not reuse worn or damaged components. Your new engine depends on properly functioning subsystems.

4. EXCESSIVE VIBRATION

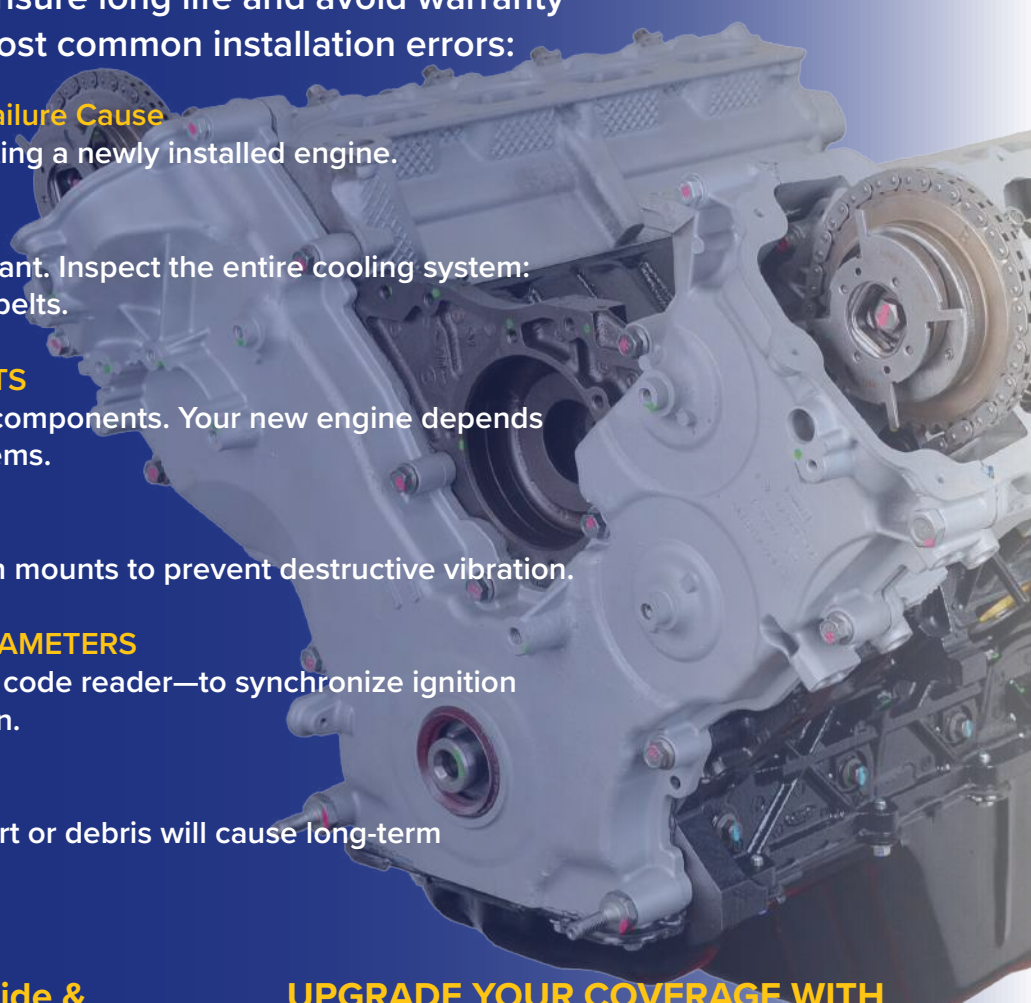

Replace engine and transmission mounts to prevent destructive vibration.

5. INCORRECT OPERATING PARAMETERS

Use a full engine scanner—not a code reader—to synchronize ignition and fuel systems after installation.

6. FOREIGN DEBRIS INGESTION

Provide clean air, fuel, and oil. Dirt or debris will cause long-term engine damage.

INSTALLERS: Get the Guide & Break-In Procedures

Visit www.mycarcare.com for step-by-step installation tips and engine break-in instructions.

UPGRADE YOUR COVERAGE WITH THE GSA1 WARRANTY

The NAPA® Ironclad Gold Seal Service Agreement is a premium supplement to the NAPA® Ironclad Standard and No-Fault warranties. Must be purchased at the same time as the engine unit. Contact your ASM for details.

BOOST YOUR SALES WITH TURBO HOSES

NAPA Belts and Hose has solutions to keep your customers' light and heavy duty turbocharged engines operating at peak efficiency for years to come. Molded Turbocharger Hoses and Turbocharger Hose Kits are available for all popular applications and meet or exceed OE standards in fit, form, and function.

Buy \$300 in NAPA Turbocharger Hose (NBH Group Code 41) and Receive a \$25 Prepaid Visa® Card*
Promotional Dates: April 1 – 30th, 2026

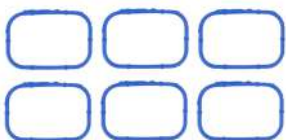

Only NAPA Installer Rewards members and Auto Care Centers are eligible. Contact your local NAPA AUTO PARTS store to enroll in the 2026 NAPA Installer Rewards program.

Purchases will be tracked by NAPA HQ and no submissions will be required. Prepaid Visa® Cards* will be issued by IS Results and mailed within 10-12 weeks after the promotion has ended. There is no limit to the amount of Prepaid Visa® Cards that can be earned. For more details, speak to your NAPA Representative.

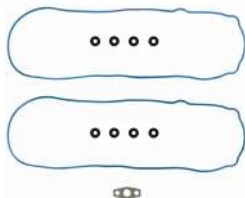

*This Card is issued by Sunrise Banks N.A., St. Paul, MN 55103, Member FDIC, pursuant to a license from Visa U.S.A. Inc. This card may be used everywhere Visa debit cards are accepted. Use of this card constitutes acceptance of the terms and conditions stated in the Cardholder Agreement. Card expires 12 months from issuance, per the "Valid Thru" date printed on the card.
