CORE COMPETENCIES:

West Hartford Lock provides professional locksmith and access control services and is a direct distributor and installer of doors, frames, and hardware. We partner with owners, developers, contractors, and facility managers to support various projects, from new construction to ongoing maintenance needs.

OUR SERVICES:

- Supply and Installation: Doors, frames, architectural hardware, electronic access control/intercom systems, bathroom partitions, and ADA accessories.
- Locksmith Services: Provided by licensed professionals.
- Security Expertise: Site surveys, physical security recommendations.
- Project Management: Design-build and value engineering services.
- Retail Stores: Two locations in Connecticut offering products and support.
- Service Teams: Installation and service calls.

EXPERIENCE & QUALIFICATIONS:

- Over 80 Years of Expertise: We have a proven track record in the industry.
- Minority-Owned Business Certification: State of Connecticut DAS (MBE & WBE) certified, State of Massachusetts SDO (MBE & WBE certified, City of Hartford, CT (MBE & WBE) certified.
- Strong Manufacturer Relationships: Direct partnerships ensure competitive pricing and product support.
- Project Management Team: Experienced professionals for value engineering and design-build projects.
- Extensive Client Base: We serve a wide range of clients in various sectors.
- High-Security Solutions: Proven experience in designing and maintaining complex master keying systems.

PROJECT CAPABILITIES (Division 8):

We furnish doors, frames, and hardware for a broad spectrum of projects, including but not limited to: multi-family housing, mixed-use developments, hospitals, hotels and municipal buildings.

NAICS Codes: 423390, 444130, 561621, 561622 | DUNS Number: 004533261
