Visit foodpantrynetwork.net or call 740-344-7401 for the most up to date information on your neighborhood food resources. The Food Pantry Network of Licking County serves households at or below 200% the federal poverty guidelines. Each household can visit a distribution location once a week. If you are unable to make it to a location yourself, you can use the proxy process to send someone you trust to pick up food.
